STONE ONLY DISCLOSURES

HANDCRAFTED STONE VENEER, PRECAST, AND MASTERFUL INSTALLATION, SINCE 1976.

Disclosures:

Quote is valid through expiration date listed on the estimate.

All stone colors and styles should be chosen by actual samples due to fact that colors may vary online and in print form. Variations from samples should be expected as sample sizes do not represent the complete stone size and color range. To view the complete range, lay out 20-60 square feet of stone. Colors will vary within any product selection as raw materials and production conditions are subject to minor changes. Masonry materials should be blended evenly throughout all boxes for best results.

All new sales orders are subject to a minimum order amount of \$500.00, excluding any tax and shipping charges.

Additions to an existing order are not subject to a minimum order amount.

Customer assumes responsibility for all item quantities purchased. If Quality Stone Veneer, Inc (hereafter referred to as "QSV") has provided any quantity estimates, materials proposed are based on their estimating practices. Any additional stone that is determined to be needed will be at full cost to customer, subject to current lead times and additional shipping or applicable fees.

Please note that we do not accept any returns.

Shipping/Pick-Up:

Shipping is charged 5\$ per mile one way from QSV's Tower City, PA manufacturing facility. Orders requiring multiple shipments due to volume will be charged shipping for each delivery. Customer must be ready to accept delivery within 30 days of material becoming available.

As an alternative to shipping, QSV allows customers to elect to pick up orders directly from the Tower City, PA manufacturing facility. Customers electing this option must pick up materials within 30 days of material becoming available. Box measurements and material weights are available upon request.

Payment Terms:

Payment terms for customers without credit established will require payment in full before order is processed.

Payment terms for customers with credit established will follow the terms of the customer's credit account. Customer will be required to pay down payment if amount of sale exceeds available credit. Credit application must be processed and approved before order is processed for credit terms to apply to sales order. Credit terms are subject to change at any time and at the sole discretion of Quality Stone Veneer based on recent credit history.

Multi-shipment orders will have "Due Pay" terms, requiring payment in full to be received for each shipment before the subsequent shipment is released.

Order Cancellations:

All cancelled orders will be charged 50% cancellation fee.

If customer does not schedule delivery or pick up of materials within 30 days of material becoming available, order will be cancelled and materials returned to inventory. Customer will be charged 50% cancellation fee.

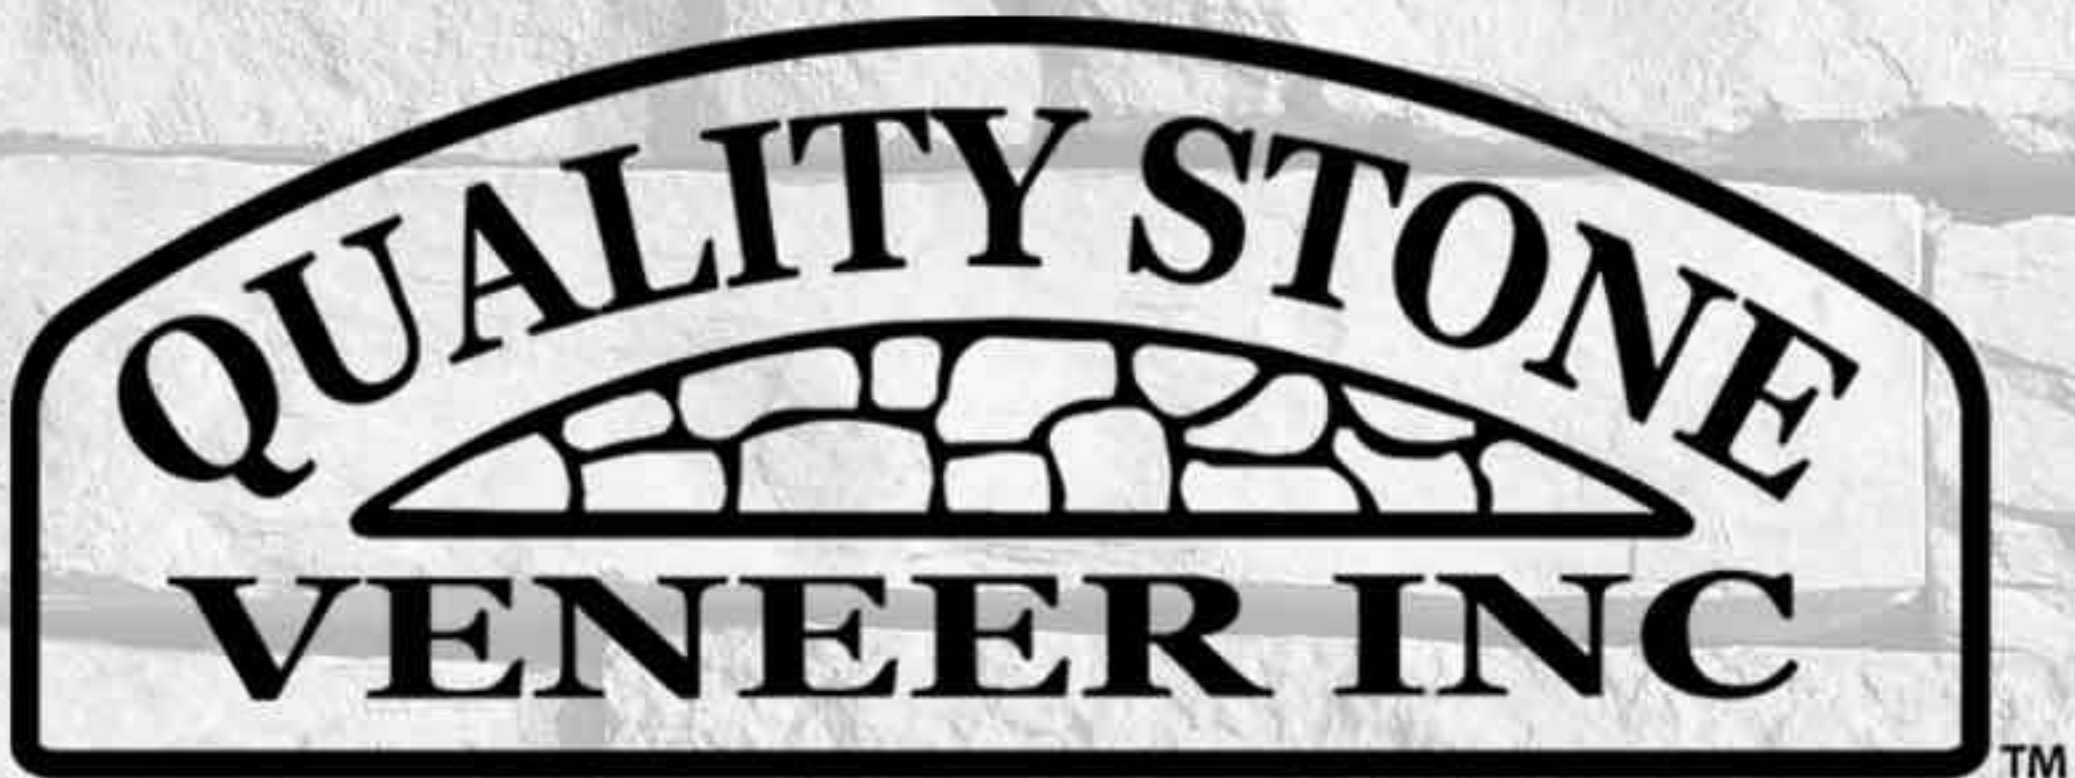

Pick-Up / Delivery Confirmation:

Customer has the right and responsibility to inspect the entire order before leaving the lot if picked up, or before driver leaves if delivered. Failure to do so releases Quality Stone Veneer from all liability with regard to claims for damages, imperfections, errors, shortages or discrepancies etc. Customer must notate any such claim in writing on stone order and must make sure that delivery driver signs and attests to the exception before customer signs for receipt of order. For deliveries, customer must also notify QSV office in writing within 5 days of delivery of stone order. INSTALLATION EQUALS ACCEPTANCE.

We appreciate your business. Thank you!

Quality Stone Veneer, Inc.

QUICKPACK™ SELECTIONS

251 CLARKS VALLEY ROAD, TOWER CITY, PA 17980
717-786-3229 | STONEONLY@QUALITYSTONEVENEER.COM

HANDCRAFTED STONE VENEER, PRECAST, AND MASTERFUL INSTALLATION, SINCE 1976.

IMPORTANT: ORDER INFORMATION

- The “Price/Ft.” column is per the unit shown in the “Measured By” column (SF = Square Foot | LF = Linear Foot).
- Prices shown do not include shipping costs. Shipping and pickup options are both available.
- QuickPack™ Boxes are packaged 5 SF of Flats, or 5 LF of Corners. QuickPack™ Box orders have an order minimum of 10 boxes.
- Pallet Boxes are packaged 100 SF of Flats, or 80 LF of Corners per pallet.
- All weights are approximated based on averages, and variances should be expected. Weights are shown in pounds.
- All prices are subject to the policies in our current Stone Only Pricing Guide. Prices are subject to change at any time.

CLIP SYSTEM & LAMBRIS INSTALLATION MATERIALS

HANDCRAFTED STONE VENEER, PRECAST, AND MASTERFUL INSTALLATION, SINCE 1976.

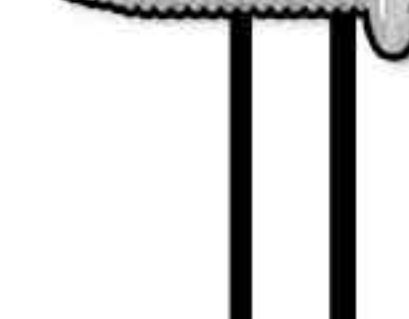

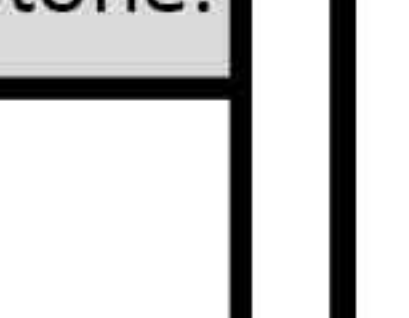

LAMBRIS STYLE SELECTION:

LAMBRIS COLOR SELECTION:

PRECAST COLOR SELECTION:

MORTAR COLOR SELECTION:

QTY	WATER-RESISTIVE BARRIER	PRICE	UNIT	Water-Resistive Barrier (Fortifiber 60-min Paper) is figured for the entire square footage of the stone area.
	Water-Resistive Barrier 1 Ply 60 min		240sf	
	Water-Resistive Barrier Hydrotex		120sf	
QTY	SELF-ADHERED RUBBER FLASHING	PRICE	UNIT	Self-Adhered Flashing (6" Flashing Tape) is figured for transitions within the stone area.
	Vycor Plus Self Adhered Flashing - 6"x75'		75'roll	
QTY	CASING BEAD, DRIP CAP, WOW'S	PRICE	UNIT	EZ Bead (2" Vinyl Casing Bead with factory applied backer rod) is figured for all vertical transitions to dissimilar materials in stone areas to provide a 3/8" gap between products. DIRECT APPLICATION MATERIALS: (Used only in a mortar & wire lath install) - Drip Cap is used as the foundation weep screed and above windows, doors and framed openings. Used at floor to floor transitions as the horizontal expansion. - Wall Opening Weeps are used every 12" on center above the Drip Cap. - Drain Mat , also referred to as <i>Rain Screen</i> is used in combination with the WOW's to provide an airspace between the mortar scratch coat and the wall.
	2" EZ Bead		10'pc	
	10' Drip Cap 3 1/2"x1 1/4"x1/4" Ga Galva.		10'pc	
	Wall Opening Weeps		PC	
	Drain Mat - Keene 100 feet		100sf	
QTY	CLIPS, SCREWS, STARTER STRIP	PRICE	UNIT	Clips: Stone SF x 2.3. Then, subtract the linear footage of Clip Starter Strip. Clip Screws: Include 1 screw per Clip and 1 per linear foot of Clip Starter Strip. Clip Starter Strip: Calculated with the LF at the base of stud walls, LF at roof lines with stone above, LF at windw heads and LF at door heads, and at each transition of floor level at the rim joist level as stone continues up the walls.
	Galvanized Clip - 22 Ga (3 per sf)		EA	
	Clip Screw - #8 1 5/8" Wafer Head Screw		LB	
	10' Galv. Clip Starter Strip w/ Drip Edge		10'pc	
QTY	WIRE LATH	PRICE	UNIT	Wire Lath: Add 1 piece of wire lath per 500sf of stone for Clip System areas. This wire is used to install the accessory items (Sills, Shutter Blocks, etc.). Add 1 piece of additional wire lath for every 25 sills after the initial 50 sills on the order. DIRECT APPLICATIONS: Wire lath is figured for the total SF of stone installed.
	Wire - 2.5 lb Galv. 27"x97"		16sf	
	Wire - 3.4 lb Galv. 27"x97"		16sf	
QTY	MORTAR	PRICE	UNIT	For Clip System Areas: 1 bag of Poly-Modified Mortar per 100sf of stone. FOR DIRECT APPLICATION AREAS: 1 Bag of Poly-Modified mortar per 15sf of stone.
	Amerimix Mortar - Polymer Modified 475		BG	
QTY	ADDITIONAL FASTENERS	PRICE	UNIT	Fasteners: Include coil nails or self-tapping screws for the wire lath per specified wall type. Fasteners at wood stud walls must penetrate wood studs 3/4". Fasteners at steel stud walls must penetrate three screw threads into the metal studs. Refer to the latest version of the <i>NCMA Installation Guide</i> at www.NCMA.org for proper fastener requirements for your wall system.
	Staples - 3/8" Bos H30 HT Galv. 5M		BX	
	Nails-Coil - 1 1/2" Roofing Nail (120 pc/roll)		Roll	
	Trakfast Pins - (1,000 pc/bx w fuel cell)		BX	
	Trakfast Washers - (1,000/box)		BX	
	Nails - Roofing 1 3/4" - (150 pc/LB)		LB	
	Nails - Concrete Stub Nail 3/4" (225 pc/LB)		LB	
QTY	EXPANSION JOINTS	PRICE	UNIT	Expansion Joints: Galvanized Expansion Joints should be set vertically adjacent to changes in materials and alongside windows and doors where possible. Spacing is not to exceed 15 foot on center in any direction.
	1/2" Expansion Joint - Galv. Metal		10'pc	
QTY	QUALITY STONE VENEER FINISHING KIT	PRICE	UNIT	Finishing Kit: Used on touch up areas and on exposed cut ends of stone. One pint of stain figured per 500sf of stone, or 1 quart per 1,000sf of stone. Dye and stain can be spray or brush applied.
	QSV Dye (Indicate color) - 35LB-5gal.		BC	
	Stain (Indicate color) 1 pint		PT	
	Stain (Indicate color) 1 quart		QT
